STAT

Thank you for your letter of 20 April 1983 concerning career opportunities at CIA.

It is possible that we may be recruiting an historian for the History Staff sometime in the next year. If this position, working on classified studies of the Agency's own history, might interest you, you should ask the Yale Graduate and Professional Office to send your dossier to me.

In any event, I shall also forward your letter and curriculum vitae to the Agency's recruiting office, for consideration for possible openings in analytical work.

With all good wishes,

Yours sincerely,

J. Kenneth McDonald
Chief Historian
